Hello Allan:

Please see the attached DRAFT pdf of Session 2 Training and several attachments for folks to review. Like Session 1, we wanted to give participants an opportunity to print and review the material prior to tomorrow's training. Note that there may be some minor changes to the slides as some material is still being reviewed.

Ex. 5 Deliberative Process (DP)

For this part of the training, we have some questions to help direct the conversation, so there is no need to prepare anything unless folks would like to. Let me know if you have any questions. I look forward to talking with everyone again tomorrow.

Thanks,

Chris
